

Steve Cooper '73

Dean's Circle Dinner

The annual Dean's Circle Dinner and cocktail reception was Oct. 28, 2006, at the InterContinental Hotel, Kansas City. Supporters of the law school including alumni and friends, enjoyed a wonderful evening of conversation, camaraderie and entertainment. Attendees heard updates on the law school from Interim Dean Bill Rich. Other speakers included Dr. Jerry Farley, President of Washburn University; Steve Cooper '73, President, Washburn University School of Law Alumni Association; and Bernie Bianchino '74, President of the Washburn Law School Foundation. Bianchino recognized alumni at the Dean's Circle dinner who created endowed funds during the three-year Law School Centennial Celebration. After dinner and the program, attendees danced and listened to the live music of Bali Root.

Members of the Dean's Circle give \$1,000 or more annually to Washburn University School of Law. The Gold Club of the Dean's Circle is a program specifically for graduates less than 10 years out of law school. Members of the Dean's Circle are invited to the Dean's Circle Dinner and also receive special invitations for premier events and programs throughout the year. For more information about how to become a member of the Dean's Circle, contact Joel Lauer in the Law School Advancement Office at (785) 670-1702.
