Case Management Training for Attorneys, Judges, Mediators, Mental Health Professionals, and Case Managers

About the Workshop:

Kansas courts use domestic case management in different ways, often adapting the statutory authority to meet pressing local needs. Workshop faculty are committed to developing a “Best Practices” case management model that can be carried across jurisdictions, that can be evenly and predictably implemented, and that will lead to systematic improvements in service delivery to children and families. These “Best Practices” protect the interests of children, provide due process protections for parents, and promote parental cooperation.

Program Fee:

The fee (\$180 for both days if paid by July 30; \$200 afterward and on-site; \$120 for one day) includes reporting of hours of attendance to the Kansas CLE Commission, written materials, lunch, and refreshments. Make checks payable to Washburn University School of Law. **Registration deadline – Friday, July 30.**
