

LogMeIn Desktop Shortcut

You can log onto your remote computer directly by creating a Desktop Shortcut. To create a Desktop Shortcut please follow the instructions below:

1. Visit LogMeIn.com and log in to your account using your email and password.
2. Click **Properties** under your computer.

3. Click the **Desktop Shortcut** tab. Drag and drop the Desktop Shortcut computer icon to your desktop. You may need to shrink or resize your browser to see part of your desktop.

jewel_makda.washburnlaw.domain

Create your shortcut

When your mouse changes to 4 arrows
drag the link onto the Desktop

To connect directly to the host PC, drag or copy this icon to your desktop.

[jewel_makda.washburnlaw.domain](#)

[jewel_makda.washburnlaw.domain](#)

5. Once the shortcut is on the desktop you can use it to remotely connect to your computer.
