“I’m a firm believer in putting action behind gratitude which includes supporting and volunteering for organizations that enabled doors to open for me. Washburn Law certainly opened doors for me in ways that I never imagined. My life has been enriched by the opportunities and friendships made through my Washburn family.”

“I give to Washburn Law because Washburn Law gave to me. It was such a game changer in my life. Washburn Law had such a positive impact on my level of confidence and in my belief that with hard work, I could do anything I set my mind to. Washburn provided me with an education, academically and personally, that I am certain I would not have received at any other institution.”
